LIFE LONG FRIENDSHIPS

Hosting an exchange student is a rewarding experience that will enrich the rest of your life. Your family has the chance to build a friendship with someone from another country, many former hosts still have contact with their student even decades later.

EDUCATIONAL

Your family is introduced to a new language, new food, a new culture, and as a result learns how close together “worlds apart” can really be.

FUN

The teens will have a blast on organized trips, impromptu get-togethers, and sharing their everyday life with the German visitors.
